NOTICE TO EMPLOYEES

UTAH EMPLOYERS ARE REQUIRED TO PROVIDE EMPLOYEES A SAFE AND HEALTHFUL WORKPLACE

REPORTING REQUIREMENTS

Employers are required to notify Utah OSHA at (801) 530-6901 **within 8 hours of occurrence of all fatalities, disabling, significant, and serious injuries or illnesses to workers**. You can call in your report 24 hours a day, 7 days a week. Tools, equipment, materials, or other evidence that might pertain to the cause of such accidents shall not be removed or destroyed until authorized by Utah OSHA. You are also required to investigate all incidents of worker injuries and occupational illnesses.

REPORTING GUIDANCE

"Disabling and serious" includes, but is not limited to any injury or illness resulting in immediate admittance to the hospital, permanent or temporary impairment where part of the body is made functionally useless or is substantially reduced in efficiency and which would require treatment by a medical doctor, such as amputation, fracture, deep cuts, severe burns, electric shock, sight impairment, loss of consciousness, and concussions; illnesses that could shorten life or significantly reduce physical or mental efficiency inhibiting the normal function of a part of the body, such as cancer, silicosis, asbestosis, hearing impairment and visual impairment.

INSPECTIONS, CITATIONS, ASSESSED PENALTIES

Utah OSHA may enter at reasonable times without delay any work place under its jurisdiction to conduct an inspection, investigation, or interview a reasonable number of employees to determine compliance with the Utah Act, rules and standards. Citations may be issued if an employer is in violation of any of those rules or standards. A serious violation may be assessed a proposed penalty of up to \$7,000. Willful or Repeated violations may be assessed a proposed penalty up to \$70,000. Failure to correct or abate a violation may result in additional penalties not to exceed \$7,000 for each day each violation is not corrected.

CONTESTS, APPEALS, INFORMAL REVIEW

The Utah Labor Commission will provide an adjudicative formal hearing with its Division of Adjudication, when an employer files a written notice of contest within 30 days of receipt of the citation. Upon expiration of that 30 day period, the citation and proposed penalties are final and not subject to review by any court or agency. Employers may also request an informal review of any citation, proposed penalty or abatement period. Informal reviews do not extend the 30 days in which an employer must file a written notice of contest for a formal hearing.

UNEMPLOYMENT INSURANCE NOTICE TO WORKERS

09-22E-1013

Your work is covered under the provisions of the Utah Employment Security Act for unemployment insurance purposes, unless specifically exempted by the Act.

Unemployment insurance specifically provides payments to qualified workers who are unemployed through no fault of their own and are able, available, and seeking full-time work. It is not public assistance, Social Security, or a disability payment. Benefits are based upon your previous earnings—not on economic need. The funds to pay unemployment benefits are paid by your employer. No deductions are made from your wages.

FILING FOR UNEMPLOYMENT INSURANCE BENEFITS

To receive unemployment benefits you may file your claim online at jobs.utah.gov, select "Temporary Assistance" and then "Unemployment Benefits," then choose "File New or Reopen Claims." You may also call the Claims Center at: Salt Lake/South Davis Counties – (801) 526-4400; Weber/North Davis Counties – (801) 612-0877; Utah County – (801) 375-4067; elsewhere in Utah and out-of-state – (888) 848-0688. No benefits will be paid for weeks prior to the week in which you file your claim. You should, therefore, file immediately after becoming unemployed or when your work hours are reduced to less than full-time.

FILING AFTER RECEIVING WORKER'S COMPENSATION BENEFITS

If you are separated from employment due to a work-related illness or injury for which you have received Worker's Compensation, your rights to unemployment benefits may be preserved for up to THREE YEARS from the date of your injury. In order to use wages earned prior to such an injury or illness, you must file a claim for unemployment benefits within 90 DAYS of your doctor's release to full time work.

SEPARATION INFORMATION

At the time you are separated from your job, you should request information as to the reasons for your separation. You do not need to have a separation notice to file a claim. Both you and your employer will be requested to provide statements explaining the reason for your separation.

WAGES DETERMINE BENEFIT AMOUNT

The amount of your unemployment benefits will be determined from your wages in covered employment. "Wages" are all payments for personal services performed such as salaries, commissions, bonuses, tips, and the cash value of goods and services received for services performed. Tips received but not reported to your employer generally cannot be used to determine your unemployment benefits.

SELF-EMPLOYMENT

If you are classified as "self-employed" (independent contractor), you may want to discuss this with your employer and have your status reviewed by DWS. Work performed in "self employment" cannot be used for unemployment benefits. You are "self-employed" if your work is performed without direction and control and you are in your own established business. This generally means you are properly licensed in business, perform similar services for others, maintain proper accounting records and business reports, pay self-employment taxes, and provide for insurance.

INFORMATION FOR EMPLOYERS

Utah law requires that each employer's wages must be reported each quarter with the regular quarterly contribution (tax) report. All wage and separation information and correspondence must include your unemployment insurance registration number. You must also maintain and make available records of wages and separation information on all workers for at least four (4) calendar years.

When an unemployment claim is filed by a former employee, the Department of Workforce Services will send Form 606 "Notice of Claim Filed." This notice will provide an opportunity for you to report details of the reason for the claimant's separation and, in some cases, to request relief of potential charges. You will also receive a Form 65 "Employer Notice of Potential Liability" showing any wages from your firm being used on the claim and your firm's potential benefit costs.

If you have classified or contemplate classifying any of your workers as "self-employed" (independent contractors), notify the Department in order that a proper determination of status can be made. By doing this, you may avoid unpaid contributions (tax) liabilities, interest, and penalties. Additional information is available in the "Employer Handbook" which you can access on the Internet at:

jobs.utah.gov/ui/employer/public/handbook/employerhandbook.aspx

In accordance with Section 35A-4-406(1)(b) of the Utah Employment Security Act, this notice must be permanently posted by each employer at suitable points (on bulletin boards, near time clocks, etc.) in each work place and establishment.

- Unless the employer can show that the **reasonable accommodation** is an **undue hardship** as defined by the Act, it cannot require an employee to end the employment if a reasonable accommodation may be given, or deny employment opportunities to the employee if the denial is based on the need to make a reasonable accommodation. UTAH CODE § 34A-5-102(1)(w) (2016).
